Covid19 Social Story School is closing

Version 1

My school is closing because of Coronavirus

My school is going to close.

I won't go to school on the days I usually go to school.

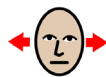

My usual day might be different.

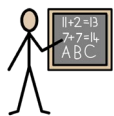

When school is closed I won't travel to school at the start of the

day.

When school is closed I won't have my normal lessons with my

teachers.

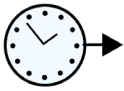

When school is closed I won't travel back home at after

school.

School

will

open

again.

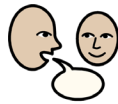

The adults

at

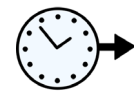

home

will

tell

me when it is

time to

go back to

school.

It is ok

to

feel anxious

or

worried

about things being

different.

If I am

anxious

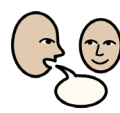

or

worried

I can

talk to

the

adults

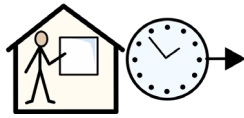

at

school

or home.

When I go back to school it will be like normal.

It is ok that things might be different for some time (or set

number of days/weeks).

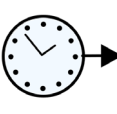

I will be ok.

Version 2

My  is  closing because of  Coronavirus

My  is  going to  close for some time.

This is because  we are trying to  stop more people getting

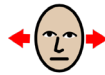

Coronavirus.

I  wont  go to school on the days I usually go to school.

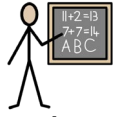

My  school being  closed means my usual day  might be  different.

When  school is  closed I won't  travel to  school at the start of

the day.

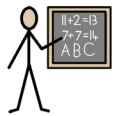

When school is closed I won't have my normal lessons with my

teachers.

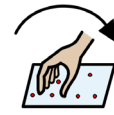

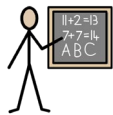

When school is closed I won't travel back home after school.

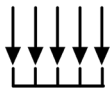

My teachers might send work home for me to do while school

is closed.

If my teachers send work home I should try to do some of

the work each day.

It's good to do school work at home when my school is

closed.

School

will

open

again.

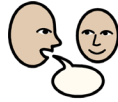

The adults

at

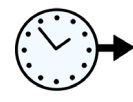

home

will

tell

me when it is

time to

go back to

school.

It is

ok

to

feel anxious

or

worried.

If I

am

anxious

or

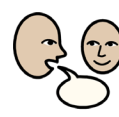

worried

I

can

talk to

my

parents

or

carers.

When I

go back to

school

it will be like

I

am used to.

It is ok that things might be different for some time.

I will be ok.
