Helping to modernise school fundraising and empower teachers to try new approaches to teaching and learning. The Rocket Fund enables schools to fundraise for Science, Computing, English, Maths, Art and more. [Rocketfund.lgfl.net](https://www.rocketfund.lgfl.net)

Our Augmented and Virtual Reality materials can help bring experiences to pupils, they may otherwise miss out on. We know the cost of school trips are becoming prohibitive for some schools; therefore, you need to look for alternative ways for your pupils to experience places of interest and even different eras in History. CyberCloud has seven layers of protection; so, you know safety is a top priority. By transforming to the cloud, you can also save money (by reducing photocopying and printing bills, saving time in meetings etc). [cyberprotect/lgfl.net](https://www.cyberprotect.lgfl.net)

LGfL has taken this initiative, at no cost to schools or LAs, with the aim of supporting schools in maximising income from Pupil Premium as well as promoting the wider benefits of free school meals. [Fsm.lgfl.net](https://www.fsm.lgfl.net)

The aim of 5 ways is to showcase five ways to use LGfL resources across the curriculum that you can take and use and share. They can be shared in the staff room, or within an INSET session.
