

FIVE WAYS TO SUPPORT IT/NETWORK MANAGERS

5ways.lgfl.net

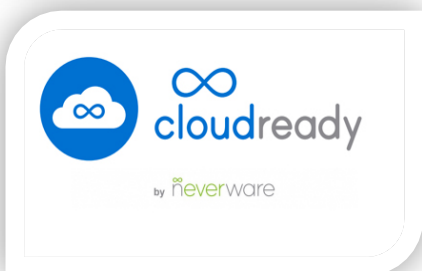

LGfL can set you up a G Suite or Office 365 tenancy using a domain of your choice. You can also opt to sync all of your users and groups from USO which saves you hours of admin time. We also offer admin training to help you get started! oli.trussell@lgfl.net (G Suite)
jose.kingsley@lgfl.net (O365)

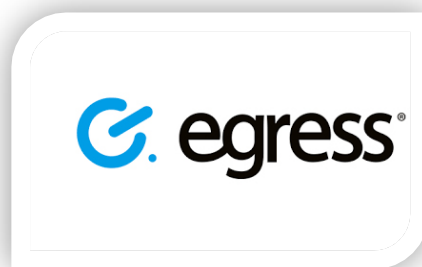

Meraki Mobile Device Management – enables secure management and control of all school devices (including PCs) as well as providing features such as the remote deletion of data (a GDPR requirement) Up to 300 can be claimed by primary schools. To claim your licences please send an email to merakimdm@lgfl.net

Sophos Intercept X – provides sophisticated protection for private and sensitive data ensuring schools don't suffer ransomware attacks or lockouts. To claim your licence please contact the LGfL Helpdesk on 020 82 555555

CloudReady - enables old laptops to be used as functioning Chromebooks. 30 subscriptions can be claimed by primary schools. You will however, need to purchase an associate Chrome Management Licence for each device. To claim your licences please send an email to neverware@lgfl.net

Egress Switch – ensures secure and encrypted messaging and GDPR compliance for schools sending personal and confidential data. Each primary school can receive 5 licences. To claim your licences please send an email to Egress@lgfl.net

The aim of 5 ways is to showcase five ways to use LGfL resources across the curriculum that you can take and use and share. They can be shared in the staff room, or within an INSET session.
