THE TRAINERS

DAWN HALLYBONE

Dawn is a LGfL learning resources consultant . She previously taught for 21 years across 2 London Boroughs and for the last four years was Deputy Head. Alongside her senior leadership experience, Dawn has supported schools across the borough in using technology effectively. Dawn believes in the creative use of technology in maximising the outcomes of students both within and outside the classroom

BRADLEY DARDIS

Bradley is an LGfL Learning resources consultant, before this he has had 15 years of education experience from Teaching assistant to a member of SLT. He is a Computing at School Master teacher and a SSAT lead practitioner in computing, He specialises in both Early Years and Creative computing, and loves combining creativity, with innovative technologies to

OVERVIEW

The course will include training on a range of LGfL resources and how they can be used to support a creative Computing curriculm.

The full day course will include:
■ Hands on training
■ overview of case studies and school based examples of use
■ Whole and small group discussions on how you may use these resources to support your pupils.

WHO SHOULD ATTEND?

This one day training day is valuable for:
■ Subject leaders.
■ Teachers new to computing.

WHAT WILL I LEARN?

By the end of the session you will have received support on:
✔ Understanding on how to use LGfL resources within computing
✔ Deeper understanding of computing terms.
