### OVERVIEW

This one-day course will give teachers an in-depth insight into the characteristics of the Maya civilisation and its remarkable achievements, as well as some of the many popular misunderstandings about the Maya people.

Diane will give examples of teaching activities that can be used in all subjects across the curriculum, including from the LGfL augmented-reality resource which she wrote.

Teachers will try their hand at calculating Maya numbers and determining dates in the calendar. They will receive a resource packet that includes a scheme of work and accurate online and printed resources.

A guided tour around the Maya exhibits in the British Museum is also included for all attendees as part of the day.

### WHO SHOULD ATTEND?

The workshop is aimed at KS2 teachers teaching the Maya and History or Curriculum Leaders who are thinking of choosing the Maya for the non-European society / ancient civilisations unit.

### WHAT WILL I LEARN?

- ✓ Knowledge of the ancient Maya, which can be applied to other subjects in the curriculum
- ✓ Popular misunderstandings about the culture and how to spot untrustworthy online resources
- ✓ The Maya maths system
- ✓ Determinin dates in the Maya calendar

### HOW WILL IT CHANGE MY TEACHING?

You will leave with the necessary information to comfortably and confidently teach and excite your KS2 pupils about the amazing Ancient Maya.

### THE TRAINER

#### DR. DIANE DAVIES

Diane is an experienced archaeologist who specialises in the ancient Maya and teaches a variety of academic courses on the subject.

She is also an educational consultant, giving workshops to teachers and children on the Maya and the exciting life of an archaeologist!

Diane writes curriculum materials for teachers and children, including the Bett-award winning LGfL augmented-reality resource 'Maya: a journey through the Maya World'. She also organises CPD trips to the Maya regions of Central America.
